The City of North Miami is an entitlement community eligible to receive assistance under the U.S. Department of Housing and Urban Development (HUD) through the Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) programs. The City is expected to receive \$746,909 in CDBG funds and \$197,700 in HOME funds for Fiscal Year (FY) 2015-2016. CDBG and HOME funds will be used for public facilities and infrastructure improvements, public services, affordable housing-related projects, and economic development. Projects must generally benefit low- and moderate-income persons. The Consolidated Plan is a five year vision and strategic plan of how these funds will be used to help address the City's housing and community development needs. The Annual Action Plan will describe how the City will use funds allocated each year to address the objectives and goals outlined in the Consolidated Plan. The City must submit these two plans in order to receive the funding from HUD.

As mandated by the Federal regulations at 24 CFR Part 91, the City is starting a collaborative and community planning process. As part of the planning process, the City will be conducting public meetings and focus groups to solicit input on housing and community development needs, priorities, and the use of program funds. The information gathered will be combined with other data and summarized in the "Five-Year Consolidated Plan" for FY 2015-2019 and the "Annual Action Plan" for FY 2015-2016.
